Dear Commissioners:

Please consider this letter as formal notification that I will be resigning from my position as Administrative Director effective the end of business on Friday, March 14, 2008. I have enjoyed my time here and very much appreciate the opportunity the County has given me. It is my intent to assist you in any way I can during the transition and I am committed to making sure the office is in good order for my successor.

I will most miss the people I have had the opportunity to work with over the past seven years. Ravalli County has been very good to me and I wish you all the best as you endeavor to guide the County.

Sincerely yours,

Elmer C. "Skip" Rosenthal
Administrative Director
